HAPPY NEW SEMESTER

Semester 2 Begins!

Well, we have officially made it to the middle of the school year. Students are entering their Semester 2 with new classes and a fresh start.

Report Cards for the Semester 1 Final Marks will be available online on February 10th by the end of the day. Please log onto the Parent/Student Portal to see this report.

During inclement weather please note from STWDSTS:

The decision to cancel transportation from STWDSTS is made by 6:15 am in order to give all parents, bus drivers and schools sufficient notice. The decisions are based on a number of factors, including the actual weather and road conditions, as checked first-hand by designated Bus Operators in each area, weather predictions made by Environment Canada, and information on road conditions from the local Road Superintendent.

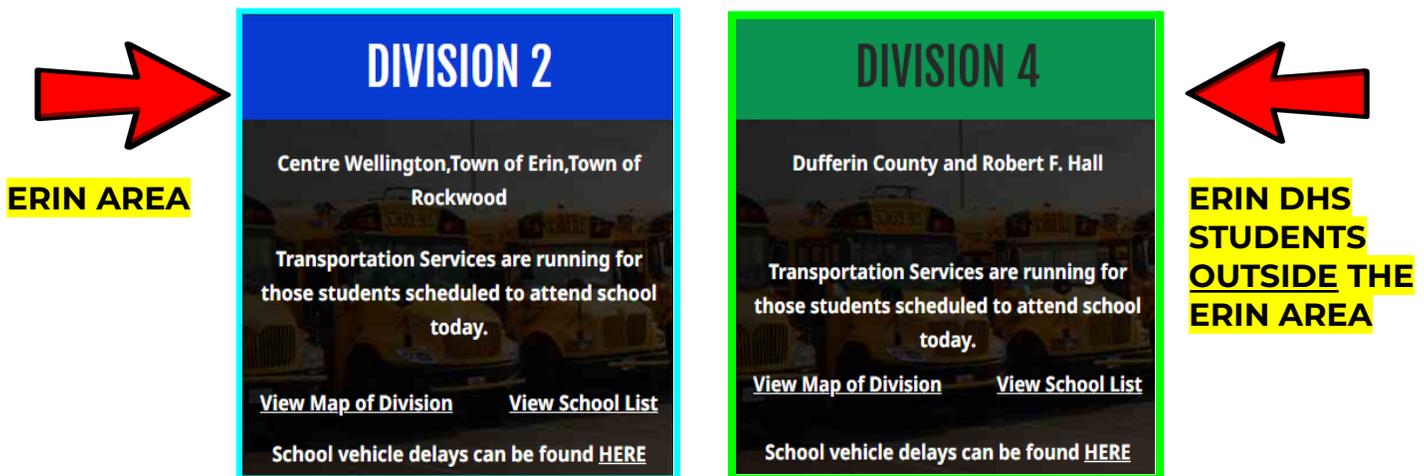

If your child takes the bus with the Upper Grand District School Board, here's how you can easily access their transportation details and stay updated on delays or cancellations. Choose the option that works best for your family:

Bus Transportation Details:

- Visit family.ugdsb.on.ca
- Click "Sign In"
- Your username is the email address you provided to the school
- The first time you Sign in you will need to reset your password. Use the "Forgot Password" button and follow the process
- Click "BusPlanner" tile after log in

Delays or Cancellations:

- Download the Bus Planner app on your mobile device [[CLICK HERE](#) for instructions]
- Sign up to receive status updates on your child's bus route, or
- Check the Student Transportation website for bus cancellations [[CLICK HERE](#)]

ERIN DHS STUDENTS OUTSIDE THE ERIN AREA

Secondary (and Elementary) UGDSB schools will remain open to students unless otherwise directed by the Board Office through a system shut down.

Just a reminder, that we offer our attendance line to report your student's attendance by calling: (519) 833-9665 ext 100.

If buses are cancelled and **your student is a bus student**, you do not need to call to report the absence.

NON-BUS STUDENTS: We only require a call for **non-bus students**, if they will not be in attendance on a bus cancellation day.

Thank you for your continued support as we begin Semester 2. We wish all students a successful and positive start to the second half of the school year.

Clothes for a Good Cause!

Got clothes living rent-free in your closet?

We're creating a **Free Clothing Store** in the EDHS library, and your gently loved clothes could become someone's new item.

NO bathing suits and undergarments.

Have your student drop them off and spread style, kindness, and pure awesome for those of our students looking to upgrade their closet.

Does your student need to make changes to Semester 2 Courses?

Black History Month: Learning Canada's Stories

Black History Month begins with learning. Across the Upper Grand District School Board, students and staff are building shared understanding by exploring the history, experiences, and contributions of Black communities in Canada, especially stories that have not always been centred in traditional learning.

In classrooms, learning is embedded directly into the curriculum through lessons, discussions, announcements, hallway displays, and Black author studies that highlight Black voices and perspectives. Students are engaging with history through read-alouds, research, videos, and timelines that connect Black history to the Canadian story. In French Immersion and language classes, students are also learning about Francophone Black communities and the global reach of Black culture and history.

Learning is extending beyond school walls as well. Some schools are partnering with local libraries to host weekly Friday Black author read-alouds, creating opportunities for students and families to learn together in community spaces. Through these experiences, students are encouraged to ask questions, deepen their understanding, and reflect on what they already know, and what they are still discovering.
